

Online Training for Medical Device Professionals

Course Title:

Pre-Market Approval for Medical Device in China

Product ID: N139

Duration: 53 mins

SME: Davey Han

First Released On: 07/09/2019

Course Description:

This course offers you an excellent overview of the Chinese regulatory system for medical devices and outlines the pathways to access the medical device market in China. Starting with a detailed explanation of the Chinese regulatory system, this course also examines the process for registration of your devices including the post-market surveillance requirements you will need to fulfill.
