Online Training for Medical Device Professionals

Course Title:

What is considered a Medical Device?

Product ID: 161
Duration: 40 mins
SME: Markus Zobrist

Course Description:

This course outlines how to decide which directive a product falls under and whether it is considered a medical device or not. It also provides examples of borderline products that may or may not be classified as medical devices.

Watch the Course Trailer:

Learning Objectives:

Upon successfully completing this course, learners will be able to:

- Comprehend the mechanisms of the directives applicable to medical devices
- Recognize that some products may fall under different classification systems

Who Should Enroll:

Professionals new to the medical device industry, including inventors, managers, CEOs, or professionals wanting an initial understanding of which regulatory system their product may fall under are all welcome to enroll in this course.

Related Resources: Yes

Prerequisite Knowledge

There is no prerequisite knowledge required for this course; all areas of expertise are welcome.

Price:

Premium: €89.00.- **Basic:** €118.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
